

29: Uncollected Children

Jesters has the highest regard for the safety of the children in our care – from the moment they arrive to the moment that they leave.

At the end of every session, the staff team will ensure that all children are collected by a parent, carer or designated adult, in accordance with the Arrivals and Departures policy. If for some reason a child is not collected at the end of a session, the following procedures will be activated.

- If a parent, carer or designated adult is more than 15 minutes late in collecting their child, the Club Manager will be informed.
- The Club Manager will call the parent, carer or designated adult, and use any other emergency contact details available in order to try to ascertain the cause for the delay, and how long it is likely to last. Messages will always be left on any answer phone requesting a prompt reply.
- While waiting to be collected, the child will be supervised by at least two members of the Jesters Team who will offer them as much support and reassurance as is necessary.
- If, after repeated attempts, no contact is made with the parent, carer or designated adult, and a further period of 30 minutes has elapsed, the Club Manager will call the Director, and the local social services department will then be contacted for advice.
- In the event of the social services being called and responsibility for the child being passed to a child protection agency, the Club Manager will attempt to leave a further telephone message with the parent/carers or designated adults' answer phone. Furthermore, a note will be left on the door of the appropriate Jester's premises informing the parent, carer or designated adult of what has happened. The note will reassure them of their child's safety and instruct them to contact the local social services department.
- Under no circumstances will a child be taken to the home of a member of staff, or away from the Club's premises unless absolutely necessary, in the course of waiting for them to be collected at the end of a session.
- The child will remain in the care of Jesters until they are collected by the parent, carer or designated adult, or alternatively placed in the care of social services.

- Regular incidents of late collection will be recorded by the Club Manager and discussed with parents/carers at the earliest opportunity. Parents and carers will be informed that persistent late collection will result in the imposition of a fine or the loss of their child's place at Jesters.
